

## Signs Now wraps trolley with Nordstrom ad

The **Signs Now** center, at 18070 S. Tamiami Trail, unit 7 in Fort Myers, was recently hired by **Naples Transportation Tours & Event Planning** to produce and install a full vehicle wrap around one of the company's trolleys.

The wrap is designed to promote the **Nordstrom** store in Naples, which opened on Nov. 7. Signs Now owner, **Mark Kausalik**, has been working with Naples Transportation since March and is looking forward to more projects with the company.
