

## Local business lands contract for trolley wrap

The Signs Now center located at 18070 S. Tamiami Trail #7 was recently hired by Naples Transportation Tours & Event Planning to produce and install a full vehicle wrap around one of the company's famed trolleys. The wrap is designed to promote the new area Nordstrom's store, which opened on Nov. 7.

This unique application is produced with the center's large format digital equipment. This heavily-expanding technology provides a solution for businesses needing to use photographs or complex artwork for their interior and exterior signage — in this case, the trolley wrap for Naples Transportation.

Signs Now owner, Mark Kausalik, has been working with Naples Transportation since March and is looking forward to more projects with the company.

Naples Transportation, Tours & Event Planning is the largest destination management company (DMC) based in Southwest Florida and the only DMC in the area to own and operate a complete fleet of luxury vehicles. As an area mainstay with over 20 years of experience, the company offers transportation services to national and international firms and associations.

The Signs Now Fort Myers service base includes business solutions for outdoor and indoor signage, banners, window and vehicle graphics, exhibit and trade show graphics, ADA signage, dimensional letters, directional systems and other visual communications tools.
